- Washable up to 30 times

KF94

FACE MASKS

Features

Constructed with multi-layer complete protection that is breathable and comfortable. Meets the standard of ISO 13485:2016 which require by Medical Device Authority (MDA). Suitable for ages 11 and above.

- COMPLETE PROTECTION
- BREATHABLE, COMFORTABLE
- STYLISH & CLASSY

Benefits

- ASSURING SAFETY: 4 Layer Protection with High Quality Filtering Structure
- ERGONOMIC 3D DESIGN: The 3D structure provides room for breathing so that it doesn't touch the mouth and the design is created to fit the facial line in order to help prevent 'maskne' with extended periods of use
- COMFORT FEELING: Gently and Securely conforms to the curves of the face to provide a comfortable fit. Mask design suits the shape of the face to make it comfortable to wear and less touch to your lips through maintaining shape.

KF94 Face Masks

Effectively block the common carrier of viruses: droplet, including viruses, mold spores and asbestos.

Anti-Fog

The nose clip helps keep the mask situated nicely, helps to minimize air leakage and the possibility of fogging up eyeglasses.

Multilayer Protection

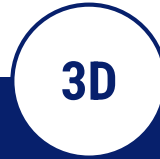

Filter out dust, germs, smoke, 98% particles in the air.

BFE 98%
PFE 99%

Local Made

We, Vircast Medic aim to achieve the best way to stay protected and elevate the way we take care of ourselves while taking care of others.

3D Ergonomic Design

Provides room for breathing, the design is created to fit on the facial line in order to help prevent 'maskne' with extended periods of use.
